Three million school children in the United States have defective eye sight. That is about one eighth of the school population.

The impression has gone abroad among foreigners that conditions have greatly improved in the United States and thousands of them are trying to get in. On the other hand Dr. L. Hopkins says 22,350,000 were on relief March 6th. That, I believe is about one fifth of our population.

The district comprisees the counties of Appomattox, Buckingham, Charlotte and Cumberland.

It has been known for some time that Mr. Moses and Mr. Early were considering becoming candidates.

Mr. Moses, is one of the most successful business men of Appomattox, being widely known throughout this part of the state for his service with the Moses Motor Co., and in recent years for his activity in behalf of farm organization. He is a member of the board of directors of the Dark Fired Tobacco Growers Association, and has given freely of his time and efforts to improve the condition of the farmer. He is the son of T. W. CANDIDATES CARDS

I wish to announce myself a candidate for State Senator from the Eleventh senatorial district of Virginia, comprising the counties of Appomattox, Buckingham, Charlotte and Cumberland, subject to the Democratic primary of August 6. I earnestly solicit the support of the people of the district and look for the opportunity of being personally during the campaign.
Respectfully,
CHAS. T. MOSES

To the Voters of Appomattox, Buckingham, Cumberland and Charlotte Counties, constituting the Eleventh State Senatorial District of Virginia:

After mature consideration, I have decided to become a candidate for the office of State Senator from the Eleventh Senatorial District of Virginia, and do herewith announce that I am a candidate for this office, subject to the Democratic Primary to be held on the sixth day of August, 1935.

It is not my idea to solicit your votes by the making of extravagant promises as to what I will be able to do for you if I am nominated and elected. I do promise, however, that if I am successful, I will impartially represent the four counties composing the district. I realize that no candidate is entitled to support, unless he proposes to serve his district faithfully, honestly and to the best of his ability, and you can depend on my rendering this kind of service to our district if nominated and elected.

I will appreciate the support of the voters of the District and, if honored with it, will do by best to merit their confidence.

J. KENT EARLY.

Announcement

At the request of my friends, I have decided to become a candidate for the Legislature to represent the district composed of Appomattox and Buckingham counties, subject to the Democratic primary. I will appreciate your support.
Respectfully,
John B. Bostwright.

There is in the county a young colored woman who has been permanently crippled by infantile paralysis. Recently she wrote to president Roosevelt at Washington, seeking aid in order that she might get a wheel chair. The president referred the letter back to the local Red Cross. An investigation has been made and it has been found that a chair such as she needs will cost $35. The only way to get this chair is for the general public to contribute to the cause. Donations can be paid to Mrs. S. L. Ferguson, Dorcas Moses, Miss Ruia May Burke or Mrs. L. F. Schmidt or left at the Times Virginian office. Come on, folks, and give something to a good cause.
